Special terms and conditions (“**Special Terms**”) expressly referred to in an Order may amend these Standard Terms. Save where the Standard Terms have been specifically amended by Special Terms, the Standard Terms shall apply to the exclusion of any other terms and conditions whether contained in the Supplier’s quotation, acceptance of an Order or otherwise or which are implied by trade, custom or course of dealing. No document issued by the Supplier after receipt of the Buyer’s Order which might be construed as a counter-offer shall apply.

1.2 An Order, Contract (as defined below) and the supply of Services and/or Products by the Supplier shall be subject to (in this order of priority unless otherwise expressly provided in the Special Terms): (i) the Special Terms; (ii) the Standard Terms; (iii) any document expressly included by reference in the Special Terms, including without limitation, any special instructions (technical documentation, quality assurance, safety); (together the “**Terms and Conditions**”) and (iv) the Supplier’s commercial offer to the extent that it is agreed in writing by the Buyer and it does not conflict with the Terms and Conditions.

An Order shall be deemed to be accepted on the earlier of: (i) the Supplier issuing written acceptance of the Order; or (ii) any act by the Supplier consistent with fulfilling the Order, at which point and on which date the contract (“**Contract**”) shall come into existence.
