

## Ipsen extends expiration date of tender offer for Epizyme, Inc. to 11 August 2022

- Extension allows for satisfaction of the HSR Condition as outlined in the Merger Agreement
- Epizyme stockholders are encouraged to tender their shares to the offer today

**PARIS, FRANCE, 5 August 2022** – Ipsen S.A. (Euronext: IPN; ADR: IPSEY) today announced that Hibernia Merger Sub, Inc. (Purchaser), its wholly owned indirect subsidiary, has extended the expiration time for the previously announced tender offer to purchase all of the issued and outstanding shares of common stock (the Shares) of Epizyme, Inc. (NASDAQ: EPZM) (Epizyme) at a price of \$1.45 per share, to the holder in cash, without interest and less applicable withholding taxes, plus one non-transferable contingent value right (CVR) per Share, until 11:59 p.m., Eastern time on Thursday 11 August 2022, unless further extended. The tender offer was previously scheduled to expire at one minute after 11:59 p.m., Eastern time, on Monday 8 August 2022. All other terms and conditions of the tender offer remain unchanged.

Each CVR represents the right to receive one or more payments in cash, of up to \$1.00 per CVR, contingent upon the achievement of certain milestones upon the terms and subject to the conditions described in the Offer to Purchase dated 12 July 2022 (together with any amendments or supplements thereto, the 'Offer to Purchase') and in the related Letter of Transmittal.

The tender offer was extended to allow additional time for the condition relating to the expiration or termination of the waiting period (and any extension thereof) under the Hart-Scott-Rodino Antitrust Improvements Act of 1976 as amended (the HSR Condition), to be satisfied.

Computershare Trust Company, N.A., the depositary and paying agent for the tender offer, has indicated that, as of 5:00 p.m., Eastern time, on 4 August 2022, approximately 42,256,760 Shares had been validly tendered into and not validly withdrawn from the tender offer, representing approximately 25% of the Shares outstanding as of 6 July 2022. Stockholders who have already tendered their Shares into the tender offer do not have to re-tender their Shares or take any other action as a result of the extension of the expiration time of the tender offer.

Completion of the tender offer remains subject to additional conditions described in the Tender Offer Statement on Schedule TO (as may be amended or supplemented) filed by Purchaser, Ipsen Biopharmaceuticals, Inc., Ipsen Pharma SAS and Ipsen S.A., with the United States Securities and Exchange Commission (SEC) on 12 July 2022. Such conditions include there having been validly tendered and not validly withdrawn Shares that, considered together with all other Shares (if any) beneficially owned by Ipsen Pharma SAS and its subsidiaries, represent at least one Share more than 50% of the total number of Shares outstanding immediately prior to the expiration of the Offer (including any extensions).
